MEMORANDUM FOR: Deputy Director for Support

SUBJECT : Office of Personnel Report - Week Ending 12 November 1971

1. Security Escort Program: Our Washington Area Recruitment Office is working on recruiting suitable applicants for the recently "beefed up" Security Escort Program. Several local colleges and universities have been contacted for applicants. The Office of Security has 11 files to process against their 21 vacancies for part-time escorts. Their great need at this time, though, is for seven full-time escorts and we are, of course, making every effort to meet this need.

2. Black Recruitment: In connection with our ongoing campaign for the increased hiring of Black professionals, a luncheon was held last week at Howard University. The Placement Director at Howard was joined by
